

**UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF MISSOURI
EASTERN DIVISION**

IAN WALLACE,

Plaintiff,

V.

PHARMA MEDICA RESEARCH, INC.,

Defendant.

No. 4:18-CV-1859 CAS

ORDER

This matter is before the Court on review of the file. This case was directly assigned to the undersigned because counsel indicated on the Court's Original Filing Form that "This same cause, or a substantially equivalent complaint, was previously filed in this court as case number 4:18-cv-0396-CAS and assigned" to me. My review of the two cases shows that although they may be related, they are not the same or substantially equivalent cases. This case therefore should be randomly reassigned. All judges, including the undersigned, will be included in the draw for the random reassignment. Accordingly,

IT IS HEREBY ORDERED that Clerk of Court shall randomly reassign this case, and shall include all judges, including the undersigned, in the draw for the random reassignment.

CHARLES A. SHAW
UNITED STATES DISTRICT JUDGE

Dated this 2nd day of November, 2018.
